

# Department of Government

## Interested in Government, Policy, and Politics? Join Us for our annual **FALL FLING** Orientation to Graduate Studies

### Learn About Two Exciting Graduate Programs That Will Meet Your Needs!

The Department of Government offers an **MA in Government** and a nationally accredited **Master in Public Administration (MPA) program**. Our programs are designed to provide a broad foundation in the discipline of political science, while encouraging students to pursue areas of particular interest.

Are you looking for a degree to enhance a career in public service or the opportunity to carry out in-depth research on national or international politics? The Department of Government will help you achieve your goals.

Join us for this informational session where we will provide information about graduate assistantships, financial costs and support, and the Master's Accelerated Program (MAP), which allows qualified students to count up to 12 credits of graduate-level classes for their undergraduate degree AND their Master's degree. Students can also earn Honors credit for satisfactory graduate-level coursework.
