

Advising for Summer and Fall 2017

All of the professors in the Department of Government are available for advising and helping you decide which classes you should take next semester. You are encouraged to meet with the following faculty member according to the first letter of your last name. If you have previously met with another professor and prefer to continue with that same professor for advising, you are of course free to do so. You can always meet with Dr. Harvey, the department head, if you have questions about the classes you may need.

Government faculty offices are located on the third floor in Breland Hall. Professors will post sign-up sheets outside their doors at the start of the advising period so that you can sign up for a particular time slot for advising. You may also email your assigned professor if you need to arrange a different time. Please remember to take a copy of your STAR Audit with you when you meet for advising. To access your STAR Audit, go to <https://degreeaudit.nmsu.edu/>
